TRANSIT TIPS

Tips for Catching a Bus

Board the bus at the posted Bus Stop signs. Buses stop only at posted stops. Make sure you are not out of sight or waiting behind a shelter. All transit buses are equipped with wheelchair lifts. Bus Stop signs are located at many locations along each route. If you're not sure where your nearest stop is, please call. Wait at the sign. When the bus approaches, look straight at the driver so they know you want them to stop for you.

Tips for Exiting a Bus

Once buses are in motion, they will not board additional passengers. Drivers may not delay their departure from a point to wait for a transferring customer. Please be alert for your destination. Approximately one half block before your stop, signal the driver to let you off, if you are unfamiliar with the area ask the driver to call out your street. To signal your stop, pull the chime cord or push the black strip around the window.

STAY INFORMED

Routes and schedules are subject to change to further improve service throughout the community. For the latest information on schedules, call 624-6766 during regular business hours (M-F, 8am-5pm) or visit the Pecos Trails Transit Facebook page.

TRANSFERS

If you need to transfer to a second route to complete your trip, ask the driver for a transfer slip (they're free) when you board the first route. Once you leave the fare box area, the driver can no longer give you a transfer. Then, give your transfer to the second bus driver, instead of paying a fare. Transfers are not good on the issuing route, so you cannot use them for a round trip.

Assuring a Pleasant Ride

Our goal is to provide a safe, comfortable commute for all individuals traveling on Pecos Trails Transit System buses.

Please Observe the Following Rules

- Stay clear of the doorways and stairwells and keep your arms, hands and head inside the bus. Safety regulations prohibit anyone standing in front of the white line when the bus is in motion. When there are seats available, walking or standing is not allowed while the bus is in motion.
- Drivers will ask you to yield the seats immediately behind them for our senior and disabled customers. The first section of seats are designated to accommodate these customers. Please be courteous and make room for customers needing these spaces.
- Do not talk to or distract the driver while the bus is in motion.
- Arrive at your bus stop 5 minutes early to ensure you don't miss the bus.

- Children must be removed from strollers and the stroller must be collapsed to fit between the seat and the customer. Non-collapsible strollers are prohibited.
- Children must not be left unattended on the buses or at the Terminal area for any reason.
- Fighting, throwing things, pushing, shouting, rough behavior, driver harassment and vulgar language are forbidden and grounds for immediate ejection from the bus.

- It is the passenger's responsibility to be at the bus or Bus Stop at the time of loading for departure.
- Schedule times are approximate due to ever-changing situations and conditions of the roadway. The buses may depart up to 3 minutes early, with the exception of the Terminal which is the ONLY layover point.
- Safety regulations prohibit drivers from leaving their seats to assist with packages or other items.
- Additional policies and procedures of PTTS will periodically be posted in the Terminal lobby and on the buses.
